Montreal, QC H2S 1W9 Canada

Dear Kahlil:

As a result of our recent evaluation, Rainforest Alliance has verified that the CommuniTree Carbon Program Project is in conformance with *the Plan Vivo Standard 2008 Edition*. Taking Root Nicaragua has been issued a project specific verification code, **RA-VER-PV-021183**, effective 11 March 2016. Your Rainforest Alliance verification statement is enclosed.

Congratulations on your Rainforest Alliance Plan Vivo verification. We look forward to working with you in the future.

Sincerely,

Lawson Henderson  
Carbon Coordinator
